Australian (Sydney) Chapter of ICAI

Dear Members

Quarterly Update: A Strong Start to 2026!

The first quarter of 2026 has been an exciting journey for the Australian (Sydney) Chapter of ICAI. We kicked off the year with a dynamic mix of community spirit, professional excellence, and strategic networking—reinforcing our chapter as a true “home away from home” for our members.

Q1 Highlights at a Glance

- **Community & Connection:** We began our social calendar with a bang, cheering on India vs. Australia at the “Let’s Bleed Blue” Women’s T20 at the SCG. It was an electrifying night shared by over 150 members and their families.

- **Leadership & Governance:** At our Annual General Meeting on February 24th, we extended our deepest gratitude to our outgoing leadership and warmly welcomed the new office bearers for the 2026–27 term.

- **Empowerment & Inclusion:** In March, we celebrated International Women’s Day with a distinguished panel of leaders, fostering rich conversations on advancing fairness and equality within our profession.

- **Professional Growth:** Our chapter proudly served as an event partner for the Accounting & Business Expo 2026 for the second consecutive year. We concluded the quarter with a specialized CPD event featuring Ari Galper, providing members with cutting-edge insights into trust-based selling.
